

CLOSE YOUR EYES AND SEE:

Visual and Tactual Art by the Students of
Helen Keller National Center

April 7–30, 2008

PORT WASHINGTON PUBLIC LIBRARY
COMMUNITY GALLERY, UPPER LEVEL

O P E N I N G R E C E P T I O N

Thursday, April 10 at 7 pm

The work in this exhibit varies from charcoal drawing and oil painting to clay sculpture and highly textured mixed media assemblage. While the drawings and paintings may be seen or understood by their accompanying descriptions, we invite you to touch the sculpture and to consider the importance of texture, surface, temperature—the nuances of touch—in the creation and appreciation of this art. We hope you enjoy this unique collection by these local artists who live and create successfully with visual and hearing impairments.
